Re: Participation in the Environmental Assessment Process of the Kwoiek Creek Project

Dear Chief Janet Webster,

Attached is a letter I have sent to George Saddleman, and Chiefs Bob Pasco and Doug McIntyre regarding options for participation in the environmental assessment of the Kwoiek Creek Hydroelectric Project.

I would appreciate if you could discuss it with your member Bands and let me know the results of your deliberations. Once I hear back from you and the other people, I will have a better sense of how to proceed with any next steps that may be necessary.

Please let me know the outcome of your discussions and advice on how you wish to proceed.

Sincerely,

Martyn Glassman  
 Project Assessment Director
