The British Columbia Environmental Assessment Office (EAO) in conjunction with the Ministry of Tourism, Sport and the Arts (MTSA), invite the public to comment on the draft Terms of Reference (TOR) for the Coquihalla Pass Resort project (Project). The intent of the draft TOR is to ensure that appropriate information is collected and analyzed by the Proponent for inclusion in the Application for the Project.

The 30 day public comment period on the draft TOR for the Project begins **February 7, 2008 and ends on March 8, 2008** at 12:00 midnight. All public comments must be received in writing by this date/time in order to be considered in the review of the Project.

An electronic copy of the draft TOR for the Project, as well as information on the environmental assessment process, are available through the EAO's electronic Project Information Centre (ePIC) online at www.eao.gov.bc.ca. Information on MTSA master plan process is available online at http://www.tsa.gov.bc.ca/resorts_rec/.

Written comments received by the EAO and MTSA during the formal public comment period on the draft TOR will be shared with the proponent and posted on ePIC. The comments will be considered in the review and assessment provided they include a full name, address and/or email address, and telephone number. **If you do not wish to have the following personal information (address and/or email address and telephone number) posted on ePIC, please indicate this on the comments you provide to the EAO.**

Comments:

It appears that you have taken most things into consideration, but I'd like to know what you plan on doing about avalanche control?

It seems strange to me to have a resort where there is so much snowfall that the highway had to be closed for 1 week because of avalanche danger.

I hope that this project does not go through because I thoroughly enjoy hiking this area winter & summer.

Regards
