OFFICE OF THE MAYOR

File No. 510-01

19 February 2009

Kathy Eichenberger
Project Assessment Director
Environmental Assessment Office
eaoinfo@gov.bc.ca

Dear Ms. Eichenberger:

Re: Support for Plutonic Power's Hydro Development in Toba Valley and Bute Inlet

Plutonic Power has identified three hydroelectric development sites in the Toba Valley and 18 sites in the Bute Inlet area for the development of low impact hydro power generation and related transmission infrastructure. The City of Powell River is supportive of this activity as long as it is undertaken in a sustainable manner, after a comprehensive and complete consultation process. This development brings employment and business opportunities to the area in an economically and environmentally friendly manner.

Council for the City of Powell River is in support of the well planned low impact hydro development by Plutonic Power in the Toba Valley and Bute Inlet areas and encourages further activity by this company.

Yours truly,
CITY OF POWELL RIVER

Stewart B. Alsgard
Mayor
