(b) Grizzly Bear. In M.A.'s 2 to 23 and 25 to 28 - April 1 to June 15

NOTICE TO SPORTSMEN

Moose hunters in the Central Interior (M.A. Nos. 14, 16, 18, 19, 20, 21, 22, 25, 26, 27 and 28) and in the East Kootenay (M.A. No. 11) are requested to turn in the lower jaws of their moose Cache Creek Checking Station or the nearest Conservation Officer. From the lower jaw the age of the animal can be determined and this information is used in the scientific management of your wildlife.

The Fish & Wildlife Branch may in the future introduce recreational hunting of lynx. The Fish & Wildlife Branch may in the future initiate any sheep seasons in specific areas and with limited numbers of hunters with the object of improving the management of Bighorn Sheep.

The Fish & Wildlife Branch may in the future introduce a tag-licence on Cougar The 1970 grizzly bear season in M.A.'s 25-28 will be delayed until Aug. 30 to ensure pelt operations are underway in the Province to obtain information about game populations. All sportsmen are requested to report the taking or sighting of tagged animals to the nearest conser vation officer or staff member of the Fish and Wildlife Branch. Most animals are tagged with metal ear tags, and in some cases have been tagged with plastic streamers or collars. These should be returned to the Fish and Wildlife Branch if the animal is found dead or has been taken during the hunting season. Landowner - Sportsman Relations - Pheasant ters in M.A. 6 are requested to hunt between

A number of big game trapping and tagging

8 a.m. and 4 p.m.

From the wings of upland birds and waterfowl it is possible to sex and age the birds. The information is then analyzed and gives some scientific insite into our game bird populations. Bird hunters are requested to leave one wing on all birds and turn them in to Cache Creek or the nearest Conservation Officer. Everyone is requested to report recovery of

any banded bird, surrendering the band, furnishing particulars of species and sex of bird, and place where and when taken. Hunters are requested by the Fish and Wildlife

Branch to refrain from killing female bears when it is known that they are accompanied by cubs. Do not shoot, take, or molest bear cubs, Remember it is unlawful to pick up or keep bear cubs

Put out that Cigarette

Exercise care with firearms.

Detailed maps may be obtained at a reasonable fee from your Government Agent or the Director, Surveys & Mapping Branch, Dept. of Lands

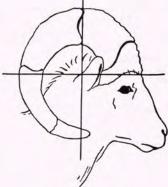

UNIFORM DISTRESS SIGNAL Any hunter in the field, in case of accident

distress, or otherwise, should, as a signal, fire three shots allowing a space of five seconds between each shot and should anyone hear this signal, he should reply by firing one shot. DIS-TRESS SIGNAL to be given, if possible, until replied to. If, after a signal has been replied to the party is in need of assistance, he should re peat his first signal, but if not in need of assisance, it will not be necessary to repeat signal.

MIGRATORY GAME BIRDS

Regulations will be published on a se-parate sheet by the Canadian Wildlife Service and will be available from hunting-

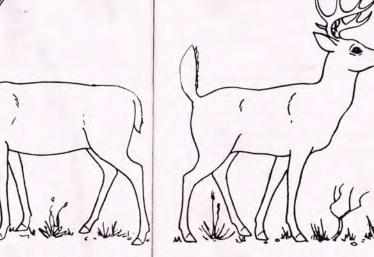

to the required Provincial hunting licence a Canada Migratory Game Bird Hunting Per mit is required when hunting migratory game birds.

HUNTING REGULATIONS — 1969-70 GENERAL

For the purpose of defining the open seas for big game and game birds, the Province shall be divided into Management Areas (hereinafter sometimes referred to as "M.A." or "M.A.'s") as established by Order-in-Council No. 335 approved January 27, 1967. The open seasons declared by these Regulations

shall cease to be in effect in any area covered by a closure order issued by the Forest Service of the Department of Lands, Forests and Water Re sources and shall continue to be ineffective dur-ing the period covered by such forest closure

Unless otherwise indicated all dates in these regulations and the schedules thereunto apply to the 1969 calendar year.

SCHEDULE I

OPEN SEASONS The open seasons for the hunting or killing of

each species and class of game shall be those set forth in Schedule I and Schedule II. All dates mentioned in the regulations and schedules there to are inclusive.

Where seasons in Schedule I do not apply to

complete Management Areas they are marked by an asterisk and the applicable seasons, with descriptions of the periods and areas involved are contained in Schedule II.

SCHEDULE II MANAGEMENT AREA No. 1

the northern boundary of the south navigational channel.

a power boat, in that part of the area referred to in subsection (4) between the southern boundary of the north navigational channel and

(6) In the Province of Quebec, no person shall place a flock of decoys within two hundred yards of another flock of decoys.

Additional Shooting Restrictions in Ontario.

Rev. & new, 25. (1) In the Province of Ontario, no person shall place or use P.C. for hunting ducks or other migratory game birds, a blind or decoy at a July 22, 1969 greater distance than two hundred yards from

- (a) the shore of a body of water;
- (b) a natural rush bed of sufficient thickness to conceal a boat; or
- (c) a water line that forms a boundary of private property.
- (1a) Subsection (1) does not apply to a boat that is not a power boat while such boat is at anchor and in use in conjunction with decoys for hunting ducks or other migratory game birds on those waters of the Great Lakes in the Province of Ontario other than
 - (a) any river connecting any Great Lake with any other Great Lake;
 - (b) Lake St. Clair;

1969-20

- (c) Rondeau Bay in the County of Kent;
- (d)₁ that part of Lake Erie that lies between the southerly productions of the easterly and westerly boundaries of the County of Norfolk; and
- (e) that part of Lake Ontario and the St. Lawrence River that lies easterly of a straight line joining the Ferry Slip at Kingston, Ontario with the Ferry Slip on the northerly side of Wolfe Island and a straight line that joins the Ferry Slip on the southerly side of Wolfe Island, with the Ferry Slip at Cape Vincent in the State of New York in the United States of America.
- (2) In the Province of Ontario, no person shall
- (a) use at one time more than one flock of decoys;
- (b) use a flock of more than fifty decoys unless two persons are hunting together in which case a flock may consist of, but shall not exceed, one hundred decoys; or
- (c) place a flock of decoys within one hundred yards of another flock of decoys.
- (3) In the Province of Ontario, no person who resides more than twenty-five miles from James Bay shall, unless authorized to do so in a permit issued for scientific purposes under these Regulations, hunt, kill or attempt to kill geese within twenty-five miles of James Bay

Additional Shooting Restrictions in Manitoba.

- 26. (1) In the Province of Manitoba, no person shall
- (a) use a power boat for the purpose of hunting, killing or attempting to kill migratory game birds; or
- (b) use any boat to hunt migratory game birds on any of the waters or marshes of Whitewater Lake or Dog Lake.
- (2) In the Province of Manitoba, during the open season for hunting migratory birds as prescribed in Part VII of Schedule A, no person shall operate a power boat on any of the waters or marshes of Whitemouth Lake.
- (3) Where the Director of the Canadian Wildlife Service or the Chief Provincial Game Officer of Manitoba is of opinion that Whooping Crane may be in the Manitoba Sandhill Crane Management Area during the period specified in Part VII of Schedule A as the open season for Sandhill Crane in that area, such officer may prohibit the hunting of Sandhill Crane in that area and thereafter no person shall hunt or kill Sandhill Crane in that area during that year.

Additional Shooting Restrictions in Saskatchewan.

27. Where in any calendar year, in the opinion of the Director or Rev. & new, the Chief Game Officer of the Province of Saskatchewan, there may P.C. be Whooping Crane in any Provincial Game Management Zone July 22, 1969 mentioned in Table Λ of Part VIII of Schedule A during the period specified in that Table as an open season for Sandhill Crane in that zone, the Director or that Chief Game Officer may prohibit the hunting of Sandhill Crane in that zone during the remainder of that calendar year, and upon and after such prohibition no person shall hunt or kill Sandhill Crane in that zone during the remainder of that calendar year.

Additional Shooting Restrictions in British Columbia.

- 28. (1) In the Province of British Columbia in that portion of Amended, Management Area No. 2 known as Boundary Bay, Municipality of P.C. Delta, lying to the west of a straight line running south from Benson July 24, 1968 Road to the permanent range marker on the International Boundary that is situated approximately 1,400 yards east of the shore at the village of Boundary Bay, no person shall
 - (a) hunt brant, set out brant decoys or guide or in any other way assist persons in the hunting of brant on more than two successive days or on more than two days in each week;
 - (b) set out more than one flock or set of brant decoys;
 - (c) set out a flock or set of brant decoys that exceeds fifty in number;
 - (d) place a flock or set of brant decoys within two hundred yards of any other flock or set of brant decoys; or

(2) In the area described in subsection (1), not more than five persons shall make use of any blind for the purposes of hunting brant.

Canada Migratory Game Bird Hunting Permit.

29. (1) The Minister may issue a Canada Migratory Game Bird Hunting Permit to any person, authorizing that person to kill, hunt, capture, injure, take or molest a migratory bird in any area described in Schedule A during the open season specified for that bird and that area in Schedule A.

(2) Subject to subsection (4) of section 4, a Canada Migratory 1969-1464
July 22, 1969 Game Bird Hunting Permit is not required for the hunting, killing or New. P.C. 1967-1464 taking of murres in the Province of Newfoundland.

Scientific Killing and Banding Permits.

- 30. (1) Notwithstanding anything in these Regulations, the Minister may issue a permit to a person authorizing that person to
 - (a) kill migratory birds and, subject to subsection (2), take the eggs or nests of migratory birds for any scientific purpose;
 - (b) capture migratory birds for banding purposes; or
 - (c) kill migratory birds that, under extraordinary conditions, have caused or are likely to cause serious injury in a communi-
- (2) No eggs taken pursuant to paragraph (a) of subsection (1) shall be incubated.
- (3) The permits specified in paragraphs (a) and (b) of subsection (1) may be issued only
 - (a) upon application from a person whose application is accompanied by written testimonials from two ornithologists of recognized standing; or
 - (b) upon application from, and for the purposes of,
 - (i) a recognized museum, university or scientific society, or (ii) a department of the Government of Canada or of a
 - province of Canada, or of the government of any country or state other than Canada.
- (4) A holder of a permit described in paragraph (a) of subsection (1) may possess, transport or sell the carcasses and skins of migratory birds killed and the eggs or nests of migratory birds taken in accordance with a permit.
- (5) A permit issued pursuant to this section may exempt the holder of the permit from any or all of the provisions of sections 16 to 22.
- (6) On or before the 28th day of February next following the expiration of a permit issued pursuant to this section the person to whom the permit was issued shall make a report to the Minister of specimens taken during the calendar year for which the permit was issued and containing such other information as the Minister may

Scientific Capture and Propagation Permits.

Rev. & new, P.C. 1967-1575, Aug. 11, 1967

- 31. (1) Notwithstanding anything in these Regulations, the Minister may issue a permit to any person to capture migratory birds and, subject to subsection (4), take the eggs of migratory birds for scientific or educational purposes.
 - (2) The permit specified in subsection (1) may be issued only
 - (a) upon application from a person whose application is accompanied by written testimonials from two ornithologists of recognized standing; or
 - (b) upon application from, and for the purposes of,
 - (i) a recognized museum, university or scientific society, or
 - (ii) a department of the Government of Canada or of a province of Canada, or of the government of any country or state other than Canada.
 - (3) The birds captured and the eggs taken pursuant to a permit issued under this section may be possessed by the permittee and may be transported by him to any person holding a permit issued pursuant to section 32.
 - (4) No birds captured under a permit issued pursuant to this section, or birds hatched from eggs taken under such permit, shall be killed for consumption or sold.
 - (5) A person to whom a permit is issued pursuant to this section
 - (a) keep books and records that shall correctly show at all times the total number of migratory birds and their eggs of each species captured or taken; and
 - (b) on or before the 28th day of February next following the expiration of the permit, make a written report to the Minister showing the total number of birds and eggs of each species captured and taken during the calendar year for which the permit was issued and containing such other information as the Minister may require.
 - 32. (1) Notwithstanding anything in these Regulations, the Minister may issue a permit to any person to buy, sell, possess and transport live migratory birds or their eggs for propagation purposes.
 - (2) Migratory birds bought, sold or possessed pursuant to a permit issued under subsection (1) may be killed by the holder of that permit in any manner, except shooting, for consumption by himself or others, but the carcasses of such birds shall not be sold.
 - (3) Every permit issued under subsection (1) shall be issued for a term not exceeding one calendar year. Rev. & new,
 - (4) Every person to whom a permit is issued under subsection P.C. 1969-1464, July 22, 1969 (1) shall
