A Special Message To Traipers.

The Game Department is extremely auxious to impress upon all traipers the necessity of preservine their far-hearing animals, especially Reaver. Traipers should retrain from traiping these animals unless they have a sublectant number on their trap-line to warrant traipping. The Game Department will give trappers who try to conserve their Beaver, as well as other fur-hearing animals, all the assistance in its power to protect their lines from poachers, but on the other hand, will cancel the lines of these trappers who wilfelly overtrap.

Repistered trappers are particularly requested to adhere to the following:—

(1.) Do not overtrap; conserve the fur-hearing animals on your trap-line.

(2.) Plainly mark your trap-line and refrain from trespassing on any other trappers line or private land.

(3.) Please make your application for renewal of your registered line and your return of eatch covering the past season's operations after the expiration of your Special Firearms Licence, or at least before October 31st, as failure to renew or submit your return of catch may place your application for registration in line for cancellation.

(4.) Report every violation of the "Game Act." or Regulations immediately to the nearest Game Warden or Provincial Constable.

(5.) Surgestions for improvement of the Trapping Laws will gladly be received at all times and given careful consideration by the Game Department.

(6.) Remember that the use of poison or pit-lamps in taking fur is prohibited.

(7.) Sale or transfer of registered trap-lines is prohibited except under certain conditions, and only on pervision of the Game Conmission.
