With this declaration the hunter must personally appear before a Canadian Collector of Customs, and only when approved by him and form returned to the Express Company will shipment be permitted to leave Canadia.

"Customs invoices and Export Entry Forms must also be tendered with the shipment." NoTL.—Should there not be a Customs Officer at point of shipment, consign trophes to yourself at nearest Customs export point, have form completed on your arrival there, and deliver to the Depot Agent of the Express Company with request to reforward shipment to destination."

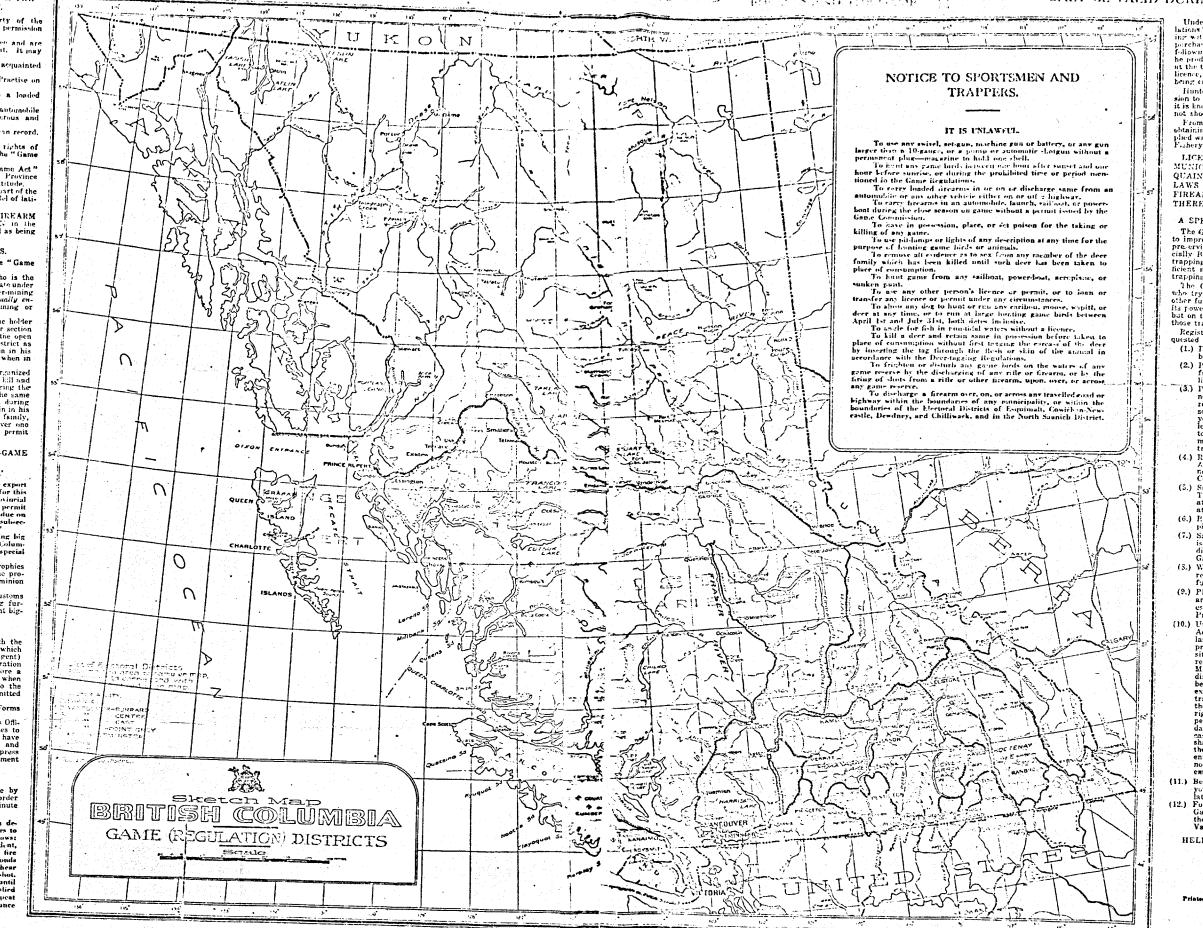

## NOTICE TO SPORTSMEN.

All sportsmen are asked to co-operate by obtaining their firearms licences early in order to assist in eliminating the usual last-minute rush.

rush.

After careful consideration it has been decided to ask the co-operation of all hunters to adopt a uniform distress signal as follows:

"Any hunter in the lied, in case of accident, distress, or otherwise, should, as a signal, fire three shots, allowing a space of five seconds between each shot, and should any one hear this signal he should reply by tiring one shot. Distress signal to be given, if possible, until seplied to. If, after a signal has been replied to, the party in need of assistance should repeat his first signal, but if not in need of assistance it will not be necessary to repeat signal."

Under amendments to the "Game-bax Regu-lations" a system was not into effect commenc-ing with the season 1991, whereby any person perchasing derstains wil be given eredit in the following acreen for any unused taxs, provided he produces his old hereas and the innesed taxs at the time he makes his application for a new licence, the number of the unused tags then being one red on the new licence.

Hunters are requested by the Game Commission to refrain from killing female Rear when it is known they are accompanied by cubs. Do not shoot, take, or male I har cubs.

From now on, if at all possible, fishermen obtaining resident anglers' luceness will be supplied with copy of the Pritish Columbia Special Fishery Regulations showing open seasons, etc.

LICENCE-HOLDERS HUNTING IN A MUNICIPALITY ARE ADVISED TO ACQUAINT THEMSELVES WITH ANY BY-LAWS COVERING THE DISCHARGE OF FIREARMS THAT MAY BE IN EFFECT THEREIN.

## A SPECIAL MESSAGE TO TRAPPERS.

The Game Department is extremely anxious to impress upon all trappers the necessity of preserving their fur-bearing animals, expecially Beaver. Trappers should refrain from trapping these animals unless they have a sufficient number on their trap-line to warrant trapping.

The Game Department will give trappers who try to conceive their Beaver, as well as other fur-bearing animals, all the assistance in lis power to protect their lines from poachers, but on the other hand, will cancel the lines of those trappers who wifully overtrap.

Registered trappers are particularly requested to adhere to the following:—

(I.) Do not overtrap: graphery the fur-

(I.) Do not overtrap; conserve the fur-bearing animals on your trap-line.

(2) Plainly mark your trap-line.

(2) Plainly mark your trap-line and refrain from treypassing on any other trapper's line or frivate land.

(3) Please make your application for renewal of your recitered line and your return of eath, covering the past season's operations effor the expiration of your Special Firearms Licence, or at least before September Orth, as failure to renew or submit your return of eath may place your application for registration in line for cancellation.

(4) Report every violation of the "Game Ast" on Research and Warding of the state of the game Narding of the game of the game Narding of the game of the game Narding of the game of the game of the game Narding of the game of the ga

narest Game Warden or Provincial Constable.

(5) Suggestions for improvement of the Transing Laws will clady be received at all times and given careful consideration by the Game Department.

(6.) Remember that the use of poison or pit-lamps in taking fur is prohibited.

pit-lamps in taking fur is prohibited.

(7.) Sale or transfer of registered trap-lines is prohibited ecopyt under certain conditions, and only on permission of the Game Commission.

(3.) White men and Indians are urgently requested to co-operate in conserving fur-bearing animals.

requested to ecoperate in conserving fur-bearing animals.

(2.) PREVENT FOREST FIRES.—Report any forest fire immediately to the nearest Fire Ward in Game Warden, or Provincial Constable.

(10.) Under 1931 amendments to the "Land Act," it is provided that where any land described in any application for pre-emption record comprises an area situate within the limits of a trap-line recistered under the "Game Act," the Minister of Latels and Forests may direct that the pro-emption record shall be granted subject to the continued exercise by the recisiered holder of the trap-line of all his tights thereto or thereunder, including the exclusive rights of trap-pur over that area, for a period not executing two years from the date of the pre-emption record, in which case the Minister of Lands and Forests shall cause a notation to be made on the certificate of pre-emption record for entry in the Land Office recister and notice thereof to be given to the pre-emption.

(11.) Beave, golts must be tagged. Consult you share warden as to tagging regu-

(12.) For full information in regard to the Game Laws and Regulations, write to the Game Laws and Sold-Howe Street, Vancouver, B.C.
