

Fish and Fish Habitat Inventory Interpretive Map

Nancy Greene Lake

Fish Species Information

Symbol	Fish Class
▲	fish presence
▲	fish observation
▲	lower limit of distribution
▲	upper limit of distribution
▲	lower limit of spawning
▲	upper limit of spawning
▲	fisheries sensitive zone
▲	stream reach boundary
▲	side channel
▲	sample site location

Physical Characteristics

☒	persistent debris accumulation	☒	cascades
☒	dam	☒	beaver dam
☒	falls	☒	culvert

Enhancement/Management Activities

⊙	hatchery	⊙	counting fence
⊙	fishway	⊙	side channel
⊙	incubation box	⊙	spawning channel

WSC Information

12AB123	Hydrometric station
123-123456	Watershed Code

Stream Classifications

— (solid blue line)
 - - - (dashed blue line)
 - - - (dotted blue line)

Other Information

— (solid red line)
